

Elbit Systems' Corporate Reorganization

Effective immediately, Elbit Systems' Israeli wholly owned direct subsidiary, Elbit Systems Land and C4I Ltd. will be known as Elbit Systems C4I and Cyber Ltd. and, as a result of a corporate reorganization, the name and address of Elbit Systems' "Land Division" business will change from Elbit Systems Land and C4I Ltd., 2 Hamachshev Street, Netanya 42507 Israel to Elbit Systems Land Ltd., Yokneam Industrial Park, Yokneam Illit, 20692, Israel. Due to the volume of authorizations requiring amendments to reflect these changes, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does not apply to approved or pending agreements.

All currently approved DSP authorizations identifying Elbit Systems Land and C4I Ltd. will not require an amendment to reflect the change to Elbit Systems C4I and Cyber Ltd. for the "C4I and Cyber Division" business, and to Elbit Systems Land Ltd., Yokneam Industrial Park, Yokneam Illit, 20692, Israel, for the "Land Division" business. Elbit Systems C4I and Cyber Ltd. and Elbit Systems Land Ltd., must provide a copy of this web notice to each applicant to be attached to the currently approved license(s).

Pending authorizations received by DDTC identifying the old name on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after July 18, 2020, identifying the old name on the license will be considered for returned without action for correction.

All currently approved agreements will require an amendment to be executed to reflect this change. The agreement holder will be responsible for amending their agreements. The executed amendments will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Elbit Systems C4I and Cyber Ltd. and Elbit Systems Land Ltd. must notify the agreement holder of the effected changes. Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
